Suriname is a pleasant country. The land of **warmth, fun, friendliness** and above all a wonderful holiday destination. The highlights of Suriname? Almost too many to mention. This makes it an excellent place for a varied journey. Safety is of paramount importance and a program can also be put together for the adventurous traveler.

We at Access Suriname Travel have **25 years** of experience in compiling tailor-made tours. Short travel times, excellent guides, resorts with all necessary facilities, first aid trained teams within reach, good communication connections and other things that give you peace of mind during the trip.

The selected resorts are also suitable for family travel, where tailor-made programs are made for different generations. You will see a different part of Suriname piece by piece. Our characteristic is that we provide as much customization as possible for travelers from luxury holidays to expeditions. In short, **your trip is in safe hands with us.**

# Danpaati

## River Lodge

The hidden gem of the Amazon rainforest

In the middle of the tropical rainforest by the mystical Boven-Suriname river, the comfortable Danpaati River lodge is located on a beautiful island.

At Danpaati, you will be embraced by 300 years of African culture. The inhabitants of the surrounding villages belong to the Saramaccan tribe, descendants of enslaved people that escaped the plantations and started their own communities

Upon arrival, our team welcomes you with traditional music and dance. The lodge features beautiful riverside cabins with private sanitary facilities, a cozy lounge & bar, a swimming pool, a river terrace overlooking the beach, paved forest paths, as well as fishing rods, canoes and more.

Danpaati packages include a number of excursions and our local guides cater to individual wishes as much as possible.

**Personal attention and service**  
with a smile standing high in the  
banner at Danpaati.

## RELAXING

At Danpaati you can reconnect with your inner self. Take a dip in the pool or lay on the warm stones in the river. Relax with a book on our river terrace or wander the pathways of the island experiencing true mindlessness.

## FOOD & DRINKS

Our kitchen offers a varied combination of local and western dishes. At night, you can dine under starry skies in our lush garden or in our tropical dining area. Danpaati River Lodge also features a cozy bar and lounge.

## FRIENDS OF DANPAATI

With your visit, Danpaati ensures that a part of the proceeds is donated to the development of surrounding villages. So far, a care project, a media library and a daycare have been set up.

## ADVENTURE & EXCURSIONS

A trip to Danpaati is filled with adventure. Learn about the nature & culture during our village- and forest hikes, or spot caimans on the river at night during some of our many excursions. In addition, there are also canoes and traditional fishing rods to explore the river on your own.

# Plantage Resort Frederiksdorp

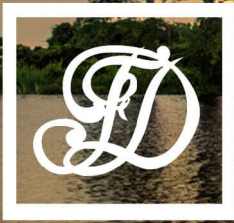

Frederiksdorp is an atmospheric plantation resort at the heart of the Commewijne River with its own Museum and educational slavery trail. The area is rich in history, culture & nature with surrounding plantations, fishing villages, museums, wild beaches, mangrove forests, wetlands, bird swamps, dolphins and sea turtles

Experience the luxury of space and privacy with our modern garden cabins and elegant colonial houses at Plantation Resort Frederiksdorp. The resort features a large pool deck nestled between palm trees, a grande restaurant & cocktail bar, luscious gardens with long walkways and a plethora of heritage and historical artifacts

PLANTAGE RESORT  
FREDERIKSDORP

### FLORA & FAUNA

For the true nature lover, the northern region of Commewijne, which borders the Atlantic, is a true paradise. The area is rich in tropical- and mangrove forests, mystical wetlands and a pristine wild coast with a hidden world of mammals, reptiles, amphibians, insects, fish and birds

### ADVENTURE

Reconnect with your inner adventurer on Plantation Frederiksdorp. Grab a paddle board and challenge the Commewijne river, cycle past former plantations or hop in the boat during one of our many guided excursions and explore the wetlands, swamps and famous Wild Coast.

### STORY MUSEUM

The story museum offers a collection of previously undocumented stories of younger and older residents of the district that are displayed in an interactive and colorful way. Stories about past and present, hardship and joy, stories that will move and inspire you.

### BONI TRAIL

Frederiksdorp launched the first educational and historical slavery trail in Suriname. The trail follows the life of the of the legendary 18th century freedom fighter Boni and reclaims the narrative from Suriname's long history of slavery from the heroes that stood at the front of the battle for freedom.

# Discover the Paradise Tour
